O R D E R

An informal conference was held in this matter on July 31, 2008. At the conclusion of the conference, no resolution had been reached between the Applicant and the Intervenors regarding the Intervenors' objections to the construction of the proposed cell tower.

To ensure that this case continues to move forward in a timely manner, the Commission finds that Henry and Anna Vermillion should state, in writing, whether they intend to remain as Intervenors in this proceeding. The Commission also finds that the Intervenors should state whether they intend to appear at a hearing on the application and whether they intend to present evidence in opposition to the proposed tower.¹ The Intervenors' responses will be due no later than 10 days from the date of this Order.
